Father Peter's Column

I want to start a conversation with both parish communities about our Saturday vigil Mass. Some folks have expressed a desire to move the Saturday mass time from 5:00 pm to an earlier time, perhaps 4:00 or 4:30. We are moving into fall and winter times and, as you know, that means it gets darker earlier. Here are some observations to aid in this conversation. We are, at Our Lady, an older parish and with the steps up to the church, darkness doesn't help the safety of folks getting up here. We have had visitors at the 5:00 pm Mass who are in town for fall and winter sports, an earlier start would allow more time for them to eat and relax before a game or match. Weather is always a concern and being earlier would allow for more safety in getting to church. These are just some factors contributing to the conversation. I want to emphasize that no decision has been made. There will be a simple survey sheet in the pews at all masses inviting your comments, please take some time to help me with this conversation. God Bless.
